

PRODUCT INFORMATION S2000-T-GerLi-H_TY_US - 23.06.2023 - www.vsamerica.com

Series 2000 Type T. Straight counter element.

System consisting of a screen element with a counter attachment made of melamine-resin-, veneer- or linoleum-coated chipboard with plastic or wood edge. The counter attachment comes in the versions flush with the screen (001 linking and screen connection) and protruding (004 round closure element). Both versions can be combined on the left and right sides.

Construction of frame design with an all-round aluminium profile section and a filler element. Side profile section with a vertical sight and function groove and an integrated, withdrawable plastic welt for tool-free connection of two counter elements.

Filler element 1. Made from melamine-resin-coated chipboard. 2. From a lightweight top with fabric covering. 3. From a melamine-resin-coated acoustic panel with slot. 4. From a translucent double panel.

Support element consisting of adjustable feet.

Connection to NetWork tables all round or to Series 901 tables longitudinally. Table height adjusters cannot be used.

The following material groups are available: Frame made of aluminum: M(anodisé); Stabiliser and foot made of aluminum: M(arctic, black RAL 9011); Top made of chipboard: L6; Top made of linoleum: L8; Top veneered: F1; Fabric cover: S46,52,74,78,79,80; Acoustic front made of chipboard: L10; Front made of chipboard: L6.

				* can also be used in mirror-image fashion.
